Mastering RedoTAVI

Webinar series

February 11th, March 3rd, March 25th

Faculty:

Dr. Francesco Saia - Moderator
Prof. Giuseppe Tarantini, Prof. Tanja Rudolph,
Dr. Luca Nai Fovino, Dr. Luis Nombela Franco,
Dr. Radoslaw Parma, Dr. Francesco Cardaioli

As TAVI becomes the standard for treating aortic stenosis, managing patient lifetime management is the next major challenge.

With the growing population of TAVI patients and the age cut-off proposed in the new guidelines, the need for effective redo procedures will rise significantly in the coming years.

Join our webinar series to explore redo TAVI - when to consider it, how to perform it and what outcomes to expect. Be ready for the future of valve care and ensure your patients receive the best possible treatment!
